

# Fida

## Intro

Ye anginat sitaare chamke aasma tere sajde mein  
Befikr ye parinde tere hi bahaaro se udte hai

Ye saari meherbaniyo mein tera dil jhalakta hai  
Dhundhu tujhe toh tera pyar hi dikhta hai  
Tute dilo ko tu hi jod sakta hai  
Baahon mein lekar sada

## Chorus

O Yeshua ye dil hai tera  
O Yeshua hu tujhpe fida

Ye saari meherbaniyo mein tera dil jhalakta hai  
Dhundhu tujhe toh tera pyar hi dikhta hai  
Tute dilo ko tu hi jod sakta hai  
Baahon mein lekar sada

## Verse

Ginte ginte hue tere vaade  
Beete hai meri ye raatein  
Lafzo se kaisa jataaye

Ruh ke ye pyaale teri karuna se umadte hai  
Rehmato ke pyaase tere paas aakar hi rukte hai

Ye saari meherbaniyo mein tera dil jhalakta hai  
Dhundhu tujhe toh tera pyar hi dikhta hai  
Tute dilo ko tu hi jod sakta hai  
Baahon mein lekar sada
